Panthers: Biggest fundraiser. Laura and Kevin Hill are doing a great job! First event has already occurred. We had a full crew. Thank you to everyone. We had a few challenges. Next event is tomorrow (Wed. Aug 9). Still need a couple more adults.

We are not planning to have another structured training session. We do have the required paperwork if anyone still needs to have training.

Remember each event worked adds \$40 to student ledger. There will be an incentive to work the Christmas Eve event.

Food Update from Denise Bono: Thanks to everyone who volunteered to help with band camp meals/serving. Still need desserts for band camp. September 15 we will be making “Bus Bags” for the students to take on the bus for competition trips. Bags will contain snacks/treats such as sandwich, soda pop tarts, granola bars. Will need volunteers to make up these bags for 4 competitions.

Mini camp scheduled Sept 15 at the stadium. Plan is for snow cones to be provided at 8pm.

Uniforms: Keesha Drummond and Lauren Hunt are working on getting everyone fitted. Only two more sections need measuring.

Truck/Trailer Update: Painting and refurbishing have been completed & truck is back on school campus. Mr. Gulledge is working with wrap designers on final design options.
