2019-20 Bank of America Stadium Worker Agreement

We are excited to have the opportunity to work at BoA Stadium in 2019-20 and believe this to be an excellent fundraising opportunity for both the Clover Band and the parents & students who agree to help staff our concession stand. We want to make sure everyone understands the expectations of signing up to work an event and insure that we have coverage at all times.

We have been given one of the largest concession stands at BoA stadium! It requires that we provide a minimum of **34** workers per event. In the event that we do not have 34 workers the Clover band booster club will be charged \$50 per person under the minimum 34. It is very important that we always have a full stand.

*By signing this form, I agree to attend the events we have signed up to work. I furthermore understand that in the event I cannot attend for any reason that I will notify the stand/event leader at least **72 hours** prior to the scheduled event **and** will also be expected to help find a replacement worker if at all possible. If I do not attend said event without notice to the stand/event leader, I agree to have funds taken from my student's ledger to pay the fee (\$50) for the replacement worker at the discretion of the Executive Board. If I give a minimum of 72 hours' notice prior to the event and/or find an approved replacement worker and notify the stand/event leader of the replacement, this fee will be waived. If I fail to attend two events without notice, I forfeit the right to work any other events during the current marching season.*

Thank you for agreeing to work at Bank of America Stadium for the Clover Band Booster Club!
