AGENDA DETAILS

NEW BUSINESS

- **Competition/show etiquette** : while at competitions we as a community are representing Clover. All kids that are performing are giving it their all. Cheer for all, just cheer for Clover the loudest! Anything negative needs to be discussed in the car as you never know who is around you and who can hear your discussion. Lets show people who Clover is!
- **What to expect at the competition**: Fans will bring noise makers, cow bells, pom poms etc. anything that lets the kids know we are in the stands cheering them on! We are LOUD. Wear comfortable shoes as sometimes parking can be far from the actual performance field. Bring clear bags as most events require them. some locations only accept cash so be sure to have cash for concessions and admittance. These are fundraisers for the host schools.
- **Sponsorship info/company matching**: On our website we have the sponsorship letter you can send to your employer or any company/person. It has all necessary information needed.
- **Dreamery Creamery ice cream fundraiser**: Visit Dreamery Creamery and order the Lucky Mint Mallow sundae! The owner is graciously donating all profit from the sundae sales to the band! Lets show them some love! This fundraiser will run from now until they close in November. Then it will start again in January when they reopen.
- **Competition travel update**: Mr. Langdale will give out competition info usually the Sunday or Monday of competition week. Only the Bands of America competition in Myrtle beach and State are over night trips. All other trips will be same day. With adding State as a over night we have increased Band fees by \$100. Total band fees for the 2024 marching season will be \$700.
- **Reminder**: 3rd Tuesday of the month for booster meeting in person at 6:00pm in the jazz room
