

Financial Information

Each student is assessed an amount determined by the budgeted needs of the band for the year. The amount is shared equally by the number of band members. All band students and families can earn credit towards the fee by fundraising, working various events or by simply paying the fee. **If a student or family does not earn enough credit through fundraising to meet the financial obligation, he/she is responsible to pay or continue fundraising for the remaining balance.**

We recommend that every student try to fundraise at least part of the band fee so that you feel a real sense of "ownership", and that you try to carry a balance over from year to year to help offset other expenses such as band logo wear and voluntary trips.

A **\$100/\$50 (non-refundable)** deposit is **due by May 15th**. We accept equal monthly payments until the entire balance is paid. We also have numerous fundraisers that you can participate in to help pay for your fees.
