Dear Supporter of Music,

The Clover High School Band Booster Club supports the Clover High School Band program by seeking donations, financial support, and volunteers from individuals, businesses, and community organizations. We are a non-profit 501 (c)(3) organization that seeks to provide opportunities for students to have an enriching musical education and opportunities beyond what the local schools are able to supply.

We are asking for your business or civic organization to become a Clover Bands Corporate Sponsor! **One of our sponsorship goals for this year is to perform in a national parade.** This goal requires plenty of support from our community!

Over 200 students at Clover High study music and colorguard performance through:
****Marching Band *Concert Bands *Jazz Band *Winter Percussion *Winter Guard***

Can we rely on your support for our award-winning band program for the 2023-24 school year?

We are seeking monetary and in-kind donations to help maximize the finances received through student participation fees and fundraising. Your donation helps the Booster organization provide students with performance opportunities, lessons, and professional training.

In return, we will advertise you, your business, or organization as one that supports music in the schools and our ongoing efforts to enrich the community's and school's musical offerings. Sponsors are acknowledged at our winter and spring concerts and on our website, www.Cloverbands.org

In addition to their musical and fundraising endeavors, students in the music program are required to keep their grades up and to participate in practices, performances, and competitions. They sacrifice their free time because they believe in and receive benefits from being involved in music.

The Clover Band Booster Club wants every student to have the opportunity to go higher and further with his or her musical skills and abilities. We need your help and support! Your tax-deductible donation will help our students achieve their musical goals.

Thank you in advance for supporting music at Clover High School and in your community.

Sincerely,
Jonathan Shaw
