

TRAVEL WAIVER

It is Clover School District policy to only allow a student to leave a school activity (away ballgame, contest, field trip, competition, concert, etc.) **with their parent or an adult legal guardian**; not other family members, friends, students or neighbors.

To avoid any confusion, any student wishing to leave an away event (with their parent or guardian) must have this form filled out and signed by the parent or guardian. The form must be handed in to Mr. Gulledge/ Mr. Hall/Mr. Winder/ Ms. Lewis or Ms. Loftis for approval. No student will be allowed to leave unless they have this form filled out, signed and approved by one of the above staff. Chaperone's cannot approve the student to leave an event. Additional forms will be available in the band room or from the chaperone on your student's assigned bus. Forms and approvals should be made by the Friday of an event. Staff will give the chaperone's the forms so they know who is going to leave.

PLEASE NOTE: When you are ready to take the student, you must come and see the Chaperone before leaving with them and let the Chaperone see you leaving together. This is mandatory so that we know the student is with the parent or adult legal guardian and is safe. Thanks for your cooperation with this.
