#7. The final band fee payment of \$75 was due Wednesday, November 15th. Unpaid band fees will be transferred to the school debit list at the end of the semester and will need to be paid before students are allowed to purchase parking passes, attend prom or participate in the graduation ceremony. Even \$25 a month would be help towards reducing your balance. Many people are taking advantage of the PayPal option and using a debit or credit card to pay down/off their balance via CHARMS. We have many bills coming due that need to be paid, so it is essential that we collect these fees promptly. **We still have over \$20,000 in band fees from this year outstanding.**
